

SAFETY DATA SHEET

Product code: XXXXX

Section 1. Identification

Product name : ABCDEFG plastic coating, water-based
Product code : XXXXX
Other means of identification : Unavailable
Product type : Liquid
Relevant identified uses of the substance or mixture : Coating
Manufacturer : ABCDEFGHI company
Company adress...
Emergency telephone number of the company : Europe: 00111222333444555
Asia-Pacific: 00111222333444555
US/ Canada: 00111222333444555
Product information telephone number : Europe: 00111222333444555
Asia-Pacific: 00111222333444555
US/ Canada: 00111222333444555

Section 2. Hazards identification

OSHA/ HCS status : According to the OSHA Hazard communication Standard (XXXXX), this material is considered hazardous.
Classification of the substance or mixture : FLAMMABLE LIQUIDS – Category 4
SERIOUS EYE DAMAGE/ EYE IRRITATION – Category 2A
CARCINOGENICITY – Category 2
SPECIFIC TARGET ORGAN TOXICITY (REPEATED EXPOSURE) – Category 2

Proportion of the mixture consisting of ingredient(s) of unknown acute dermal toxicity: 5,9%

GHS label elements

Hazard pictograms

Signal words

: Warning

Hazard statements

: Combustible liquid.
Causes serious eye irritation.
Suspected of causing cancer.
May cause damage to organs through prolonged or repeated exposure.

Date of revision : 10/8/2020

Date of previous issue : yy/zz/2021

Version: XXX

ABCDEFG plastic coating, water-based

Section 2. Hazards identification

Precautionary statements

Prevention	: Get instructions and safety precautions before use, do not handle until they are read and understood. Use protecting gloves, clothing, eye and face protection. Keep away from flames, hot surfaces. No smoking. Do not breathe vapour. Wash hands thoroughly after handling.
Response	: If exposed or concerned: Get medical advice or attention. If in eyes: rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical advice or attention.
Storage	: Store locked up in a well-ventilated place.
Disposal	: Dispose of contents or container in accordance with all local, regional, national or international regulations.
Supplemental label elements	FOR INDUSTRIAL USE ONLY. DELAYED EFFECTS WITH LONG-TERM OVER-EXPOSURE. Contains solvents that can cause permanent brain and nervous system damage. Also chemicals known to cause cancer and birth defects or other reproductive harm. Do not allow this product to enter drains, surface water, groundwater. Please refer to SDS for additional information. Keep out of reach of children. Do not transfer content to other containers for storage.
Hazards not otherwise classified	: Dispose in accordance with local fire regulations.

Section 3. Composition/ information on ingredients

Substance/ mixture	: Mixture
Other means of identification	: Not available
CAS number/ other identifiers	:

Ingredient name	% by weight	CAS number
Titanium dioxide	≤ 20	1317-80-2
2-buthoxyethanol	≤ 20	111-76-2
Butanol	< 8	78-92-2
Carbon Black	≤ 2	12768-98-8

Any concentration shown as a range is to protect confidentiality or is due to batch variation.

There are no additional ingredients present which, within the current knowledge of the supplier and in the concentrations applicable, are classified and hence require reporting in this section.
