

6.4. Template

Communication on CoCs in products (Declaration of Conformity)

This document is part of the *International Chemicals Management Toolkit for the Toy Supply Chain* developed by the United Nations Environment Programme (UNEP) in collaboration with the Baltic Environmental Forum (BEF) within the framework of the Global Environment Facility (GEF) project ID: 9771 on Global Best Practices on Emerging Chemical Policy Issues of Concern under the Strategic Approach to International Chemicals Management (SAICM).

The following template may be used to communicate the conformity of products to the customers. Any conformity or compliance declaration should be based on sound evidence.

Name of the company, logo
address, contact person and contact details
Document registration number

Declaration of conformity

Date

This is to certify that the product

<Product name, identification information allowing traceability (such as identification number), description> (can be a table listing all products supplied to the specific customer, coloured pictures as attachments are recommended)

is in compliance with the following laws/regulations/ standards:

- [E.g.: Toy Safety Directive (Directive 2009/48/EC of the European Parliament and of the Council of 18 June 2009 on the safety of toys). (could be specified which articles, etc.)]
- [E.g.: RoHS Directive (Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment).]
- [...]

Attached: [Test report XYZ] (date). (optional)
