Session 1: Overview of Communications and Knowledge Management of the project

Introduction to Component 3:
Knowledge Management and Stakeholder Engagement
Component summary

### Project Outcomes

A broad group of SAICM stakeholders access information and participate in communities of practice for peer-to-peer learning exchanges.

### Key Outputs

- KM platform development
- Papers and communication materials
- Outreach to sectors and events
- 50 knowledge exchange instruments (maps & visual tools)
- Communities of practice established for each EPI
Component Executing partners

• UN Environment
• WHO
• FAO
• OECD
• IISD
• IPEN
• University of Cape Town
• ISC3
## Activities breakdown

<table>
<thead>
<tr>
<th>Component Output</th>
<th>3.1 Collaboration and engagement with the SDG and scientific communities to promote EPIs</th>
</tr>
